

MEDICAL ALARM
PERSONAL ALERT SYSTEM

HELP BUTTON

Unique in North America

The Concerto

NEW
The Concerto

Total Access

The Concerto allows you to stay at wherever you are and converse to the Central Monitoring Station or family members right through the pendant like a speaker phone. Microphone and speaker are both built-in in the pendant.

Pendant
Range :
300 Feet

Comparing with a traditional medical alarm system, you no longer need to move to the Control Panel after an emergency call is made to open a two-way voice communication channel.
